I am so thankful to God for this book, I just bought it on my kindle fire 3 days ago I've been reading it every day Thank you, Reverend Tony Evans.

I'm enjoy this very much, working on yielding my tongue more in giving thanks, if I can't be honest with some respect, then forget about.

This book helped me learn more about the power and importance of my speech. It gives me meaning and application for how to please God and the results from it. I will recommend this book to my family and friends!

Always be aware of what u say to someone. You can apologize to that person but what was said has already been spoken. "Loose lips sinks ships"

Tony Evans has a gift for teaching, explaining in biblical straight talk. This is an inspiring look at the power we have to use our mouths in a positive or negative way. The spoken word portrays the truth of the condition of the heart. This book encourages us to use our mouths to glorify God.

I like the message and anything that makes you grow spiritually is a 5 star to me, but I don't agree with all the disclaimer alert in the CD. I say share the word of God! That's what we are supposed to do.

Awesome book scripturally correct. Subject should definitely be addressed more. Let's you know you where your mother and grandmother read/heard you'd better watch that mouth of yours. Reading for the 3rd time something new every time

Great book. Breaks down scriptures that apply to the mouth. I am starting my own bible study from the book.
