Great cookbook

the fast of the mountains flavors are just so real. You can taste the simple frontier life.enjoy the mountains

Interesting and nostalgic. I love to look at cookbooks and found this book worth keeping. Good idea to preserve recipes from across our country. I appreciate the number of cookbooks it took to make the selections.

Would only use a couple of the recipes.

I bought this as a gift, but on looking at the recipes before wrapping it, I ended up copying numerous recipes myself. The Glazed Fresh Apple Cookies are outrageously yummy! Also, most recipes don't require many ingredients, and most cooks have the ingredients right on their shelves already.

One of the best books of recipes from local cooks using local ingredients. Easy to follow and accurate.
