Lubavitcher Rabbi's Memoirs, Volume I: Tracing The Origins Of The Chasidic Movement

Synopsis

The Lubavitcher Rabbi's Memoirs are a veritable treasure chest of Chasidic learning and lore, of anecdotes, historical annotations and commemorations, and represent the very best of informal writing from the profile pen of the sixth leader of the Chabad-Lubavitch movement, Rabbi Yosef Y. Schneersohn, of blessed memory. Known and unknown figures from the past, scholars and cobblers, princes and dreamers, and giants of the spirit rise before our eyes to convey the message of inspiration, wholehearted devotion and all-out dedication that characterized Chasidic Jewish life in the small and large centers of Eastern Europe. In this audiobook, we follow closely behind a young man named Baruch, who would later become the father of Rabbi Schneur Zalman of Liadi, founder of the Chabad branch of Chasidism. Baruch, orphaned at a young age, wanders in search of a suitable manner in which to serve G-d. At times, we witness incidents that occur in Baruch's own life; at others, we join him in listening to captivating stories and historical episodes told to him by a variety of personalities. Both of these experiences serve as inspiration to young Baruch.

Translated by Nissan Mindel.

Book Information

Audible Audio Edition

Listening Length: 9 hours 16 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Kehot Publication Society

Customer Reviews

One finds here an engaging view of Jewish life in Eastern Europe of the early 1700s and following. The writing style is literate without being stuffy or academic. Anecdotes are woven into the text that illustrate the individuals' and communities' difficulties, achievements, and insights. The origins of the Chasidic movement are explained through biographies of its founding personalities; the Baal Shem Tov's influential teachings are shown at the center of the movement. This introductory presentation

can give the reader a basis for further study of his, and others', insights into Torah, Jewish mysticism, and Jewish observance. This is the sort of book that upon its completion, one is left wanting more -- Ah! but wait there is more: Vol. III!

It will take you through time, it reads like a historical novel, but each character actually lived the life which absorbs your interest from beginning to end.

A must read, filled with stories and colorful personalities.

This is a must read book about the Jewish greats of our time. Written in a very compelling style by a giant of a Jewish leader.

An amazing insight into the roots of chabad

A book of true stories, easy to read and interesting but at the same time revealing the deepest spiritual secrets . From the first few pages the reader becomes aware of something unexpected and different. It talks of a spiritual journey, but so much more than that. This book will inspire the reader and change him or her on many levels. It can be read again and again. Always something fresh and new can be found in it.
