# Hinds' Feet On High Places: Complete And Unabridged

## Synopsis

Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

Everyone should read this lovely allegory of Much Afraid and her journey to the High Places and the Kingdom of Love!!! You can learn alot about yourself and the fruit our fears bear in this love story of tremendous beauty. Go with her as she travels with her two companions Sorrow and Suffering. You will understand the underlying strength they have in our lives.
