Shells Of Florida-Atlantic Ocean & Florida Keys: A Beachcomber's Guide To Coastal Areas

Synopsis

"This colorful, educational guide is an excellent resource for identifying the shells, common sea beans and other coastal drift found in beach, lagoon and bay habitats. Great for all ages and is perfect for anyone who enjoys the coastal areas whether briefly visiting the beach to nature enthusiasts and beachcombers. This conveniently sized guide features photographs grouped by color of some of Florida's most common, uncommon and highly sought shelled animals. Other aquatic coastal animals are also included, plus important information about the wrack line and the coastal drift treasures hidden there. Common and scientific names, shell ranges, maximum sizes, and other features are described in this guide. Field identification assistance and educational tips are also presented. This pocket-sized, 12-panel, laminated, waterproof guide is great for outdoor coastal experiences."

Customer Reviews

Handy little pamphlet. We'll be checking out some eastern Florida beaches in a week and bringing this with us!

Perfect for taking with you when "shelling"!

Exactly what my grandson ordered. Great little foldout of relevant shells
