Love these. Includes all the animals as the first edition but with exotic pets now.

You cannot use this cold since you will have no idea what you are looking at. Once you get some

background these would be a useful tool.

Bought these for my daughter in Vet school. I hope this helps her in her studies. She says they will.

Great learning tool

A gift.

Very nice quality cards.

They are perfect for the aspiring veterinarian!

Arrived damaged on the inside of the box, so not a packing issue.
