The Irregular At Magic High School, Vol. 4 - Light Novel

Synopsis

The rookie competition is one of the most highly anticipated spectacles of the Nine School Competition and a chance for freshman athletes to shine. First High's beloved Miyuki Shiba takes center stage during these matches to give a beautifully elegant performance. Her brother, Tatsuya, doesn't have a moment to waste as he works around the clock as part of the engineering team, relaxing only when he gets a chance to admire his sister from behind the scenes. But after his teammates fall prey to a horrific accident, Tatsuya is suddenly thrust into the spotlight and set on a direct collision course with the Crimson Prince, Masaki Ichijou!

Kana Ishida is the illustrator behind the hugely popular light novel series, The Irregular at Magic High School. Tsutomu Sato is the author of the hugely popular light novel series, The Irregular at Magic High School.

Addicting storyline and characters. While overall readability isn't bad, errors sometimes interrupt the flow. Some errors show a lack of proof reading (name swapping Miyuki, Mizuki, and Mayumi or Tatsuya and Masaki). A rather irksome translation choice was renaming Gram Demolition to Program Demolition when the Japanese text uses the English word. There's still the quirk of the lack of Onii-sama-ness which sometimes makes it difficult to determine if Miyuki is the speaking character. If only I knew Japanese enough to read the original text...Side Note: don't order this book

alone. Combine it with a big but lightweight object so has to ship in a box. Every time I've ordered this series the spines have been somewhat crushed/damaged while being in an envelope or a box with a heavy object.

I cant wait for the next installment! I already preordered volume 5. I just have to know what happens next!

It gives a more involved viewpoint of the story. The anime can only say so much but the novel can give me an in depth telling of the thinking behind the parts of the story. I love this.

Great
