SÃO TOMÉ E PRÍNCIPE

Synopsis

This book is a personal "point-in-time" description of the unique West African country of São Tomé e Príncipe as it presented itself to the author in 2015. It is not intended as a traditional travel guide although it does contain an introduction with practical information. Rather, it takes the reader on tours around the country's two main islands introducing both the magnificent scenery and the wonderful people. The book contains more than 100 colour illustrations; consequently it is not suited for devices with grey-scale screens.
