Customer Reviews

Great map of Hampton Roads area. Used it almost every day while looking for houses and/or apartments. Better overview than you can get on the GPS in the car. I just wish the local maps of Norfolk and Virginia Beach more little streets. It does show the roads around Back Bay, though, where there is great Crappie and Bass fishing.

Have these in our car get-home-bags in case a solar flare or wimp knock out cell phones and google maps are inaccessible. Trusty paper back up map to navigate with

Computer maps fail to show you how to recover when you make a wrong turn. One needs a paper map for that.

Perfect for our trip

It is a map, it works.

Thank you for the great product!

Hard to find actual maps in stores anymore and I need one for my office. Fits my needs.

Thanks!
