## Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

Glencoe's Science series of books, which includes From Bacteria to Plants, is a superior series of Science Books. Clear language, easy for middle schoolers to read and comprehend.

perfect

The book was in great condition. It arrived quickly. I ordered a class set so we could look at the illustrations, charts, and graphs together.
