The Undoing Of Brielle Davis

Synopsis

Now I know I can see ghosts, which is bad enough. But Quinn, my nemesis from Cabin Creek Falls, has become one and has conveniently attached herself to me. To make it worse, she used to date my boyfriend, Carter. Carter can see ghosts, too, but I haven't told him about Quinn, yet. He blames himself for her death, and I know she will do anything she can to break us up. If I can help her figure out why she's a ghost, I can help her move on. But she isn't the only ghost bothering me. How do I make it through my senior year without everyone thinking I'm crazy and while avoiding my ex, Jeremy, who may have secrets of his own?

Customer Reviews

I enjoyed this book as much as the first installment! I love the characters and where the plot is heading! Eagerly waiting for the next book!

Such a great book. I couldn't put it down. Can't wait for the next book.

So I just read this book and its predecessor within 3 days and I absolutely loved it! The characters are fabulously written and the plot is unique and always kept me guessing. If you love sci-fy mixed with a bit of romance you will love this series!

Can't wait to see what's next! Exciting page turner. This series draws the young and the old. One of my favorite.

Loved the second as much as the first! Can't wait for the final installment of this trilogy!

It was a little slow but after that i could not put the book down. I wish there was book 3.
