Customer Reviews

I love her style and the use of scrapes. It doesn't hurt that Miss Rosie was her beloved lab, who I imagine was sitting in the quilting room on and off while Carrie worked!

Great book with wonderful patterns. We are using it for a block swap.

Awesome book. Great ideas and easy reading and instructions. Great speedy service. Thanks.

Nice selection of quilt ideas

Many many quilts I want to make!

I've really enjoyed this book. It has a ton of great quilts in it and easy instructions. Fits in with my Kim Diehl and Jo Morton books.

Absolutely love Carrie Nelson! Great patterns and instructions.

One of the best pattern books I have ever bought. I bought this book to get the out of print pattern "Come On A My House". Every pattern is an instant classic. I plan to start with the pattern that I bought the book for and then continue on with mini versions of some of the others.
