Mary Berry's Baking Bible: Over 250 Classic Recipes

Synopsis

Filled with 250 foolproof recipes of every variety, this comprehensive cookbook is packed with delicious baking ideas. Tempting muffins, scones, and breads are included along with Mary Berry's famous cake recipes, including Victoria Sponge, Very Best Chocolate Cake, and Hazelnut Meringue Cake. Full-color photographs and illustrations that detail trickier steps are accompanied by easy-to-follow instructions and handy tips, making this an ideal resource for kitchen novices and more experienced cooks alike.

Product Dimensions: 7.5 x 1.2 x 9.5 inches

Shipping Weight: 2.9 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 121 customer reviews

Best Sellers Rank: #4,385 in Books (See Top 100 in Books) #3 in Books > Cookbooks, Food & Wine > Baking > Cakes #4 in Books > Cookbooks, Food & Wine > Baking > Cookies #14 in Books > Cookbooks, Food & Wine > Desserts

Customer Reviews

"Mary Berry, cookery writing pioneer." •The Times "Reliable and clear, a Mary Berry recipe would never let you down." •Mail on Sunday

Mary Berry is the author of more than 30 cookbooks, including Cook Now, Eat Later; Mary Berry's Complete Cookbook; Mary Berry's Stress-Free Kitchen; Mary Berry's Ultimate Cake Book; and Real Food Fast.

Here is a list of the recipes included in this book (from Sooz on UK site). I reposted it here for those who are interested.

Wonderful recipes, but a bit of a challenge from the US side of the pond. Our ovens don't have the same settings, so it's kind of a challenge to guess at temperature/fan speed conversions. Google helps considerably with measurement translations, and we've found that the extra challenges are still worth the effort.

I love this book, but then if it's British, I'm pretty sure to love it anyway. I'm a complete convert to cooking in grams. I now have a scale, and find my bakes come out much more even than ever. Her recipes are traditional and great for parties, teas, whatever. LOVE LOVE LOVE Mary Berry!

I'm really learning from this book although I've been baking for years. She makes it all easier with helpful hints and makes the reader feel able to tackle anything. Not just a coffee table book but one to use..

Womderful

I am now able to make British goodies - cakes and bakes - via this book by one of England's

better-known "cookery" authoresses and present, as well as past, TV personalities.

My wife LOVES this book. Only issue is finding ingredients in our area.

I gave to my friend. She's a great chef; she owns a small restaurant. She didn't mind the math conversions in this book since USA is only country who does not use metric measure.
