Customer Reviews

I love my Harley Quinn coloring book! It has lots of pictures directly from the Harley Quinn comic books and lots of different versions of her. It has roller derby, different outfits, bombshell, suicide squad outfit. The only problem I had was on the back somehow it got ripped through the last twenty some pages. So thats frustrating but it's a small rip.

Awesome pics in side this that range from "I can color this in twenty mins" to "this is going to take me a week." Some really funny images of Harley trying to race the Flash with a cheetah powered chariot and a rocket jet pack. My only complaint, which is on me for not thinking of it, is that Harley is white. I don't mean Caucasian, I mean the combination of all colors together making white light white. So, as you can see from the cover image, you don't really color Harley's skin much. I

probably would avoid this for kids, there are some pretty risqué images. Nothing too lurid, but it's Harley Quinn. She's not exactly appropriate for kids. There is not a lot of the Bruce Timm cartoon versions of her in this book.

love this adult coloring book. any fan of harley quinn and/or the suicide squad will love this. mind you it's comic book scenes so don't expect stuff from the film in it. although it has images from comics released as late as september 2016. very new product

Lovely artwork. This book had very nice different artworks which I loved. I mainly got this for harley quinn. And not disappointed with this book what so ever. I would recommend this book as each image was clearly easy to see and nicely done

Daughter saw this inside Universal Island of Adventure for \$20. Not wanting to carry it around was the original intent but buying it for less was just a bonus. She loves it, illustrations are very detailed and cool as she said.

Its a Christmas gift. Arrived as promised.

My daughter absolutely loves this coloring book. The pages are nice and thick and holds the color very well.

I adore Harley Quinn so this is perfect for me. Tons of pictures to color and hours of entertainment
