## **Customer Reviews**

"A series that has gone to great lengths to keep ingredients and techniques required within the reach of anyone" -- Orlando Sentinel

Great Product.

Chocolate is really great and these recipes gave me better options than the same old recipes time and time again. I now have new favorite chocolate recipes.

This book confirms the culinary tradition established by The Cordon Bleu as a school of French Culinary Art. The recipes are great! I have already ordered the Cordon Bleu Chocolate Bible.

Great item! Highly recommend seller!! AAAA+++

Well in the review it announces a chocolate flan and its not what I expected the recepies are good but not great.

I bought this book for the appealing picture of a chocolate gateaux on the cover... the recipes inside are very good, especially the chocolate flan and the white chocolate and pistacio fudge. Highly recommended.
