Customer Reviews

The content in the book it's good but the book they sent me was clearly used (I pay for a new one).I bought this as a gift for my in-laws and there is no way I will give this to them! It's a used book! (the colors of the cover are faded and lots of pages were marked).I sent a letter and they offered me many options (send it back and money back, send it back and exchange it for a new one, etc) but we ended up keeping it cause a friend of my husband saw it at the office and borrow it. I'm just dissapointed for not getting the product I payed for.
