Spelling Workout: Level C, Teacher's Edition

Synopsis

The Teacher Edition of Spelling Workout is a compact, but helpful volume, containing daily answers as well as pretest and final test dictation sentences for each lesson. Every fifth lesson or so, reproducible Review Tests and homework activities are provided so that students can recap and share spelling activities with mom or dad at home (the review tests are great for helping students prepare for standardized tests, since they use a multiple choice fill in the bubble format). The teachers guide is intended to be able to be flexed for either a three or a five day weekly school plan. The Spelling Workout Teacher Edition contains cross references linking each spelling rule to the Modern Curriculum Press Plaid Phonics. There is also an appendix at the back of the book that contains a useful chart for student records, comprehensive glossary, and answer key for Review Tests, a page of spelling enrichment suggestions, and more.

My 8 year old loves this spelling book. It seems more like fun because the daily work is presented in more playful way. Even though he is writing the words he is solving puzzles, riddles, crossword puzzles, etc... He really likes the stories that lead into each lesson. The teacher manual is great and gives good tips and fun ways to explain the rules.
