The Voyage Of The Sea Wolf (Eve Bunting's Pirate Series)

Synopsis

At the end of *The Pirate Captain's Daughter*, Catherine and cabin boy William are marooned on Pox Island by the murderous crew of the pirate ship *Reprisal*. The young lovers see no hope of escape. In *Voyage of the Sea Wolf*, the continuing saga of Catherine's sea adventures, she and William are rescued from their island prison by the *Sea Wolf*, a pirate ship pursuing the *Reprisal*. Catherine worries that these new pirates will send her back to the island once they discover she's a girl. But then, she meets the captain of the *Sea Wolf*. A Woman! Surely, Catherine thinks, the bloodshed and brutality she and William experienced aboard the *Reprisal* can't happen again, especially under the leadership of a female captian. But just as things seem to be going their way, the captain takes a liking to William. Catherine is forbidden to see him. If Catherine and William want to stay together, they must find a way to now escape from the *Sea Wolf*.

Q&A with Eve Bunting, Author of *The Voyage of the Sea Wolf* I'm a writer of books for children and young people... all the way from preschool to young adult. Someone said once that if you love your work it isn't work, and that person was right. --Eve Bunting Q: Have you always wanted to be a writer? A: I have always loved to write. When I was in school, a long time ago, I would offer to do essay homework for my friends just for the fun of it. They thought me a bit crazy but I didn't care. Q: Why did you write a book about pirates?

Gr 5-7-Marooned on an island in *The Pirate Captain's Daughter* (Sleeping Bear, 2011), Catherine and William are rescued by the pirate crew of the *Sea Wolf* at the start of this story. The two lovers vow to stay together, but they are not prepared for what awaits them. Catherine is surprised to discover that the ship's captain is a woman, and even more surprised that she takes a liking to William. When she finds out that the previously disguised Catherine is a girl, Captain Medb Moriarty forbids the two to have any contact, and locks Catherine in her quarters with her at night. Moriarty has her sights set on plundering two other pirate ships-Catherine's former ship *The Reprisal* and the bountiful *Isabella*-and she intends to make William her partner. Catherine is desperate to escape with William, but she fears that he's having second thoughts about his feelings for her. She spends her days mending sails alongside the friendly dwarf Sebastian, pining for William and thwarting the unwanted advances of lecherous Magruder. Catherine finally finds her strength when the *Sea Wolf* comes upon the beached-and presumably abandoned-*Isabella* and she must rescue William after a bloody surprise attack. A quick read for fans of pirate tales.-Wendy M. Scalfaro, G. Ray Bodley High
