Macau: You Can Get All Attractions By Your Own Self.

Synopsis

Only take a look at the free sample of this book and you will shortly come to know the reason why you can get all attractions by yourself. In addition to the detailed information especially on the “ways” to the must-visits, maps and photos indicated by arrows and explaining boxes will give you full confidence when you try the beautiful city of Macau. Unfortunately there is no subway system in Macau. However, they run 70 lines of bus, by which you can fully pay visits all of the must-visits. Even no subway, the bus system in Macau is fantastic. You will come to know through this book, you don’t need to take even a taxi for any attraction introduced here. All destinations can be accessed by bus. Which bus you have to take, which stand you have to wait and where you have to get off the bus, are all explained with route maps and photos. Macau can be largely divided into 3 parts. The first one goes to the crowded square of “Largo do Senado”, i.e. “Senado Square”, which is located at Macau Peninsula. Many world heritages can be easily accessed from Largo do Senado on foot. The second one is “Taipa Island”, where you will meet “The Venetian Macau Resort”, the biggest casino in the world. Even not fond of gambling, you will regret if you skip over “Grand Canal Shoppe”, a luxurious shopping street fantastically prepared in the casino. “Coloane” situated at the end of Taipa Island is featured at the finish. You will miss the taste of egg tart baked by the legendary store of “Lord Stow’s Bakery” at Coloane Village. Download this book in your cell phone and fly to the world-city of Macau. Then, your mobile phone will show you all of the ways to the attractions of Macau. You need neither to chase after a guide nor to ask passers-by for your destination. You can get them all by your own self.
