Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy

groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Great info

Great info!

You only need this book to have a wonderful experience in one of the world's great cities. The Steves guides are succinct enough to help you plan your days, yet not so thick with descriptions and irrelevant information that you grow bored. We used ours thoroughly.

It's a very informative book. There were lots of helpful suggestions that made it easier navigating Edinburgh on our own.
