Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I've watched this four times now. I love the music, the story and the personalities.

This is a very good book and it arrived without any hassles at all. I chose this book so that I can capture the song parts as they were meant to be played.

my review may be unfair, but, i ordered this book and was sent the sheet music

As a fan of Afro-Cuban music, this book allows insight into the complexity of rhythms, chords and words. The content is as authentic as it can be to the material on its CD (not included). The print is good and easy to read. The music? Great!! I only wish it includes pages on the production of BVSC, maybe photos of artists or footnotes.
