Baedeker St. Petersburg (Baedeker's Travel Guides)

it is more of an intuitive city than your mind imagines. Know what you want to see, get a decent map and allow two or three days to wander on your own. The city is easy to navigate and understand due in part to the waterways. The guide book will neglect to tell you of the filth, the unwillingness of anyone to speak English, the dearth of decent eats or MOST IMPORTANTLY that you must not drink the water. I got a violently painful and debilitating case of Giardiasis which lasted 8 months despite reading the book
