The Will To Submit (Training His Countess Book 2)

Synopsis

“How about I make you a deal, Eleanor?” Charles’s voice was smooth as silk. “I had no way of knowing what was actually going through his mind. A wager, if you will. I’ll make love to you, kind and gentle as you please | the way you imagine our union is supposed to be like. If you decide that that is the sort of love you want, you need only lie back and think of England, as it were. However, when you decide you can’t stand it any longer and you need the sort of passion I’ve already begun to show you | At that time, all you need do is call me ‘my lord Master,’ and your real pleasure will begin.” This sounded simple enough. I was sure I could suffer through one bedding without losing my dignity by begging him for anything. “Very well,” I said. “I’ll accept your challenge.” Newlyweds Charles and Eleanor Sterling, the mysterious Earl of Pembroke and his Countess, are ready to set forth on their wedding journey—a trip to continental Europe. However, sparks fly when the Earl expresses his desire to begin her training in the ways of submission. Determined to retain her own authority, Eleanor agrees to the Earl’s wager, confident she has the will to defy his wish for her to submit. But what she doesn’t realize is just how very persuasive the Earl can be |
