nicer pictures paper does not bleed with any medium markers felt tips and water colors

Haven't even started coloring in this book, but already it's my favorite. Most of the other fashion coloring books are either very sketchy with not a lot of definite lines or the outfits depicted are so plain with no details. Maybe a solid colored dress with shoes and a bag, but nothing to make it fun. I'm sure I'm going to have a lot more fun coloring in these outfits and will probably get Rose Merry's book for adults as well. Thank you.

i really enjoy the style of art. It's not too detailed leaving me relaxed and creative. i did feel that there

was something missing when I was unable to find the girls on the front cover anywhere inside the book for me to color. lol. This is still a fun artist.

This is a great book. The pictures are well drawn & very to see & color detail

enjoyed coloring in this book

Not enough pages.

My granddaughter loves it.

WAS BOUGHT AS A GIFT FOR A NIECE.
