My Encyclopedia Of Very Important Animals

Synopsis

A charming first animal encyclopedia bursting with facts, perfect for little learners ages 4–7 who want to know everything about the creatures they love. From elephants to sharks to penguins, My Encyclopedia of Very Important Animals is bursting with facts about the wonderful world of animals—what they eat, what they do, where they live, and so much more. Kids can even learn what makes an animal an animal, what makes a mammal a mammal, and what it means to be endangered or become extinct. Animal folklore and legends are included to add cultural context and significance. Blending adorable, simple illustrations with rich photography and lively text, My Encyclopedia of Very Important Animals is a very important book for very important people, the perfect first animal reference book for young readers.
