Las Vegas: A Pictorial Celebration

Synopsis

Fueled by the poker craze and hit TV shows, Las Vegas is hot, with more than 37 million visitors annually. But the city is more than just bright lights and blackjack, as Michael Green, professor and Editor-in-Chief of the Nevada Historical Society Quarterly proves. Follow the fascinating, sometimes scandalous stories behind the glittery façade with splendid images that capture both the man-made glitz and nature's splendor. Experience the old-from the Mojave Desert to the downtown Paiute colony-that offers a refreshing change of pace from the central action. Go into the neighborhoods where locals live their everyday lives. And, of course, walk down every inch of the famous Strip: hotels and casinos; fun sites such as the Elvis-O-Rama Museum; and arcades, malls, bars, and landmarks.

Book Information

Hardcover: 160 pages

Publisher: Sterling (January 28, 2006)

Customer Reviews

Great pictures and a good history of Vegas. Stories for the current years somewhat dated since the economic crash of 2008 but I wanted it for the Vintage Vegas pictures and sories and it provided plenty of those.

BOOK IN DECENT SHAPE, WITH NICE PICTURES.

ok

This is a fabulous pictorial of Las Vegas, the pictures are crisp and plentiful and has interesting

historical information. The downside for me was that after I returned to the UK I realised that pages 16 to 38 are missing and no they had not been pulled out accidentally, it was bound with these pages missing!!! I have contacted the publishers no fewer than six times without so much as a reply, I think that Sterling Publishing are shocking and have no customer care at all. I will be steering clear of any publications by this second rate company in future.
