Puerto Rico (Insight Guides)

Synopsis

Insight Guide Puerto Rico is an inspiring visual guide to this vivid and vibrant island, brought to life with hundreds of evocative photographs and lively features on history and culture. Our inspirational Best of Puerto Rico section highlights the country's unmissable sights and experiences such as exploring the dramatic Rio Camuy Caves and taking a boat to the glowing waters of Phosphorescent Bay. The comprehensive Travel Tips section gives you all the practical information you need to plan your trip, and our selective listings bring you the author's recommendations for the best and most authentic hotels, bars, and restaurants. Lavish magazine-style features offer a unique insight into life in Puerto Rico, from folk art and festivals to wildlife and its national drink, rum. A detailed Places section, with full-color maps cross-referenced to the lively narrative, guides you around the entire island, with detailed descriptions of what to see, from El Morro, Old San Juan's historic fortress, to remote villages and rainforest-cloaked mountains. Following a degree in Latin American Studies, Sarah Cameron has been traveling and writing on the Americas ever since, both as an economist for a British bank and more lately as an author of guide books. Sarah still dabbles in South America but concentrates on the Caribbean, with many titles for Insight Guides and Berlitz under her belt. When she is not touring the Caribbean sampling beaches and rum cocktails, she retreats to her 17th-century farmhouse in rural Suffolk (England).

This book was definitely worth every penny. I have never been to Puerto Rico and I thought all the suggestions were helpful. I had bought a few other books and I thought this one was the most useful for me. I read it from front to back and each section was just enough. Although this book didn't prepare for everything I would encounter, what book would.

This books provides all the information you need to have a great vacation in Puerto Rico. It also cover topics like history, language and culture of the island as a bonus. I loved that you can find the main attractions and read on them briefly if you're short on time or more lengthy information if you are planning to stay more than a week. Great vacation guide!

I took it w/ me to visit Puerto Rico and it was invaluable! I plan to take it again when we return to PR next year!

Lots of good information, specifically for a first time visit. The navigation is rather difficult, since there is no table of content in the Kindle version. No way you find a chapter quickly again. Makes it rather useless to take along your travel.

We have purchased Ecuador, Spain, and Puerto Rico insight guides so far. They have all been great!. I will keep on purchasing Insight Guides when we go on vacation.

Terrific guide! Highly recommended.

The town research is ok, but the author fails to mention when towns close (Sunday, Monday) so we went to towns when all the shops were closed. Additionally, I wanted to snorkel off the beach like I did in Hawaii on several beaches in guide book. This book was not covering those beaches, how to get to them or where the coral was. You have to book tour so go snorkelling which is not cheap. The island is nice but the book is not done me well as a planning type of tourist. I used the internet half the time burning up my phone. The pictures are nice, but where is the research. This beach wasn't on the map in the photo. D grade.
