Ok

I want to order all 4 levels but I need to know which has more activities for the students because I purchased this book but it doesn't have enough activities to follow the same theme for more than 1 to 2 class day. I need to teach all grades K - 12 and I like this series. Will you please tell me which one is best for what I am looking for? the white cover workbook, this type, the Plus series or the regular one? Obviously we don't use CDs anymore so the most economic way even without the CD. I am looking for lots of activities so I don't have to incorporate another extra material. Do you have a teacher's edition?
