Marco Polo Travel Publishing offers a wide range of high quality cartographic products and travel guides. Marco Polo Guides are known for their handy, compact format and unique Insider Tips. Marco Polo Maps and City Maps are famous for their high quality cartography and additional features like "mark-it" stickers which help to pinpoint a destination for future reference and aid route planning.

The map, unfolded, measures 38" x 27". However, it's laminated which makes for "easier" refolding. Also, the main tourist areas are "easily" accessible in a 14" x 11" unfolded segment. One useful feature, which most maps don't have, is bus routes/stops info.
