StreetSmart Puerto Rico

Synopsis

VanDam's award winning Puerto Rico StreetSmart maps all top attractions including beaches, hotels, major architecture, museums, and shopping - all at an immensely legible super-scale of 1:60,000. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. Puerto Rico StreetSmart includes a stunning dimensional detail of San Juan, Conado, and Miramar. Edition also includes a map of the entire island and the Caribbean Sea. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Puerto Rican StreetSmarts and a sexy souvenir to boot!

Got me around perfectly!

This map not very helpful. I have purchased other StreetSmart maps that will well done and very helpful...this one was not.

It would have been good if I were staying around San Juan, but since I stayed in Las Piedras, it was pretty useless. It shows the streets of San Juan, and the main roads on the island, but not how to get around the many other towns. Unfortunately, my GPS did help much either. Asking directions when lost was the way to go.

Van Dam delivers a great map, user friendly, compact, and full of information for anyone exploring Puerto Rico. A wonderful traveling companion!
