Customer Reviews

It's Greek to me! No apparent definitions for given characters! I bought it hoping to find large, brush-stroke style characters, each defined. I am merely an artist and writer, not a telepathic linguist. This is disappointing and awful. Can I send it back?

LOVE IT

Used this book in my Chinese I class and I loved that class. The textbook enhanced our learning experience and was very enjoyable and easy to follow.

Good Deal!

received in 2-3 days. excellent

This is great book. Re commanded.

Decent price, came in good condition. I am not impressed with this series of books thus far. The workbook has a lot of "translate from English to Chinese" sections and many of the English doesn't directly translate with what has been learned in the book.
