Walt Disney World Dining Menus And Money Saving Tips: 2016 - 2017 Edition

Synopsis

Planning Your Dining Options at Disney World can be a pain, but it doesn't have to be. Updated for 2016 and 2017. Included in this guide are the full menus for every dining location within the Walt Disney World Resort including... All Four Theme Parks (Magic Kingdom, Epcot, Animal Kingdom, and Disney Hollywood Studios). Also includes all water parks, Disney World Hotels, and Disney Springs. The guide not only lists sit-down restaurants, but counter service and food carts as well. With this guide you can use your Kindle search feature to quickly find what restaurants have certain items you are looking for. If you are craving a "watermelon margarita" for example, you could quickly see which restaurant has it. You can also download the book to the Kindle app on your phone to have the menus at your disposal without needing an internet connection from your carrier or WiFi. Internet connection can get bogged down at Disney with so many people using their phones and electronic devices. As a bonus, this guide offers three extra chapters. These chapters include information on how to save money on dining at Disney, how to work the Dining Plans, and how to get those hard-to-get Advance Dining Reservations. With this guide, dining at Walt Disney World will be a breeze. Now you can focus more on what the most important part of your Disney vacation... Having Fun

Customer Reviews

This book is the complete menu that is available at Disney resort. It covers kids menus, various 'themed' menus such as Upcountry Lounge, and gives you the prices for meals. It also covers ingredients and details the actual taste of the cheese. Some of the menus are apparently not available, example Trader Sam's Grog Grottos appetizers aren't available with Disney's old key west resorts. Very useful for anyone planning on a family vacation to Disney Resort. It tells you at the end how to book Advance Dining Reservations, and you can book up to 180 days in advance. Disney also offers the Disney Vacation Club Membership and details are provided about it.

I purchased this as an e-book. It is difficult to maneuver through the pages. I wish I had purchased the paperback version. It would have been much easier to find individual restaurants.

very detailed book on 98 % of the food. I only had one problem, he never gave you the prices for the buffets.

I got this book for my sister who was taking 2 of her granddaughters to Disney World. She and I have been several times ourselves. The food and restaurants at Disney are fabulous! The decor of each place is fun and exciting and the food is out of this world delicious. This book lists the description of all their food along with the prices they have to offer. It is broken down restaurant by restaurant, breakfast - lunch - dinner.

Only has the prices in some restaurants.

Know what to expect before you sit down.

Can get theses menus online for free.

Was good but touring .com gives all the food at the world.
