A Guide To Octave Mandolin & Bouzouki

Synopsis

Twenty tunes in styles from Irish to American, in a variety of tunings, melody and accompaniment, presented in standard notation and tablature, with a stereo audio recording (left channel melody, right channel accompaniment). Left and right hand techniques and chord voicings are thoroughly discussed. For the first time, the Celtic style â œwoven textureâ • accompaniment unique to the instrument is fully notated. Unique to the book are melodic Irish ornamentation, blues, jazz, American fiddle tunes with variations and improvisations (all fully notated), and a chapter â œBreaking Away From Block Chordsâ • extending knowledge of the fingerboard. Audio download available online.

Customer Reviews

Mostly just Irish tabulators. I thought it would deal more with fundamentals of the instrument.

A great challenge for a recent convert to the irish bouzouki. Thank you John McGann!
