## Customer Reviews

Book and story are a hit with my 3 1/2 year old. However, where one wheel attaches was already tore when I opened the package. I've glued it, but if it was torn/broke from shipping, It does not seem sturdy enough for a preschooler.

I got this for my toddler, for a stocking stuffer. It's your typical board book, except PJ Masks-themed. The wheels also spin, which is cute. The book looks well-constructed and like it should hold up to reasonable wear and tear. The content of the book should be appealing to any PJ Masks fan.

I bought this for my 3 and 4.5 year old grand twins and they told me they loved the book! The 3 year

old loved how the wheels on the car turned! I highly recommend it for children who like interactive books!

I bought this to give to my 2 year old for Christmas. He was cat boy for Halloween and loves the pj masks. I ended up using it as a bribe this week instead. He sat there with the biggest grin from ear to ear in shock when I handed it to him. He was so excited. He absolutely LOVES this book.

adorable book for PJ mask fans , keeps the kids attention!!

Adorable gift for my birthday boy! He's going to love it.

Grandson loves this and runs it around like a car...great for imagination
