Great book been a tech for 25 years and the info in the book is what I passed off of

Excellent resource material.

Book had lots of good information that was on the test.

Used this as a refresher to take my recert. Passed on the first try. Good to supplement the

knowledge you should already have.

Passed my test. A bit of advice take all the practice tests.

PERFECT

It has very helpful information for passing ASE questions

Its literally a must read for testing lol
