Taqueria Tacos: A Taco Cookbook To Bring The Flavors Of Mexico Home

Synopsis

There are few things in life better than fresh, authentic tacos—so why not eat more of them? With Taqueria Tacos you can turn your kitchen into a traditional Mexican taqueria every night of the week. Succulent meats. Sizzling veggies. Picante spices. When it comes to mouthwatering flavors, Mexican street tacos are where it's at. Taqueria Tacos serves up the street taco the way it was intended—fresh, flavorful, and festive—leaving the hard shell and yellow cheese of the American taco in the dust. Raised by her Mexican grandparents, Leslie Limón has been eating and cooking authentic Mexican cuisine her whole life. On her popular food blog, La Cocina de Leslie, she talks tacos, tamales, and tradition, inspiring her readers to cook delicious Mexican fare in the true spirit of la cultura Mexicana.. Just like the assembly line at your favorite taqueria, Taqueria Tacos begins with tortillas, moves on to meats, loads up on vegetables, rice and beans, and wraps up with salsas, sauces, and garnishes. Say Adiós to Taco Tuesday and ¡Hola! to Tacos Everyday with recipes such as: Beer Batter-Fried Fish Tacos Squash Blossom Tacos Tacos al Pastor Easy Chicken Tacos de Mole Flautas de Rajas Chorizo Tacos The fiesta starts here! Taqueria Tacos is a celebration of culinary culture, timeless tradition, and most of all—the almighty taco.

Customer Reviews

Love! I am of Mexican descent and already cook some Mexican food the way my mother taught me, but I really appreciate this book. There are a lot of recipes (not just tacos) I either don't know how to cook, or cook very differently due to living outside of Mexico, so I am excited to have a reference of authentic recipes. Everything in this book would go over well with my family and friends. We live on the border- Mexican food is an absolute must here!! I already have a few friends in mind I want to buy copies for, because my copy is staying mine!!! If anything, I'd like pictures of the dishes, but it doesn't bother me much. *I received a copy of this book in exchange for an honest and unbiased review.*

I'm cooking my way through this book...best taco recipes ever!

Lots of great and simple recipes that are easy to understand. And, from what I have tried so far, delicious. Great book for any lover of Tacos and Salsa!

Lots of detail in this book, and terrific taco recipes. I'm a home cook and have gotten a lot of use from this book.

I really liked this cookbook. Gives you history and great recipes. You could tell the author really loves what she writes about. I especially liked the chapter on how to make tortillas from scratch. Good read.

Simple. You want to know how to make real tacos, get this book.

I can't wait to try all the wonderful recipes I am very pleased! Thank you!
