Michael Pearl was raised in Memphis, Tennessee by parents who were faithful to point him to God. Mike is a graduate of Crighton College in Memphis. He worked with Memphis Union Mission for 25 years, while he ministered in hospitals and churches to the many military families. God eventually led him into the ministry of writing on child training and family relationships. He now feels this is his life's work and calling. The result of this work led to the formation of No Greater Joy Ministries (NGJ), a 501 (c) (3). The largest project that NGJ has ever been involved in is the Good and Evil Project, a work to translate the Illustrated Bible Storybook Good and Evil into 100 languages. Good and Evil has 40 languages in print, and another 60 languages in the process of being translated or edited.

Good for people young and old who need pictures to grasp concepts. The author has done a

thorough and quite a good job--the illustrations are excellent. Only one "error"--he writes that the basket that held Moses is coated with "tar" the Bible calls it "pitch".

Best book for kids they can Lear easy way about the bible

Great for teaching truth to kids!

Look at the cover and ask yourself whether the illustrator has any conception of joy? Anger, meanness. A wooden retelling that distorts the message of the bible. Keep it out of children's hands!

If you purchase the book Good and Evil you do not need to purchase this book. It is the 3rd chapter in that book.

My boys really enjoy reading these at bedtime! They want to see what I am reading to them and are excited when it is time to read.

PURCHASED FOR MY 22 YEAR OLD GRANDSON, VERY INTERESTED IN READING ALL OF THESE BOOKS BY MICHAEL PEARL

I have the big Good and Evil book in black and white, but the content is the same. I love how the Pearl's have interpreted these stories. I love the illustrations and how they show consequences for sin. I love that my kids will read this book over and over again for fun! Great book!
