The Goddamned Volume 1: Before The Flood

Synopsis

"And the earth was filled with violence."--Genesis 6:11 Its 1655 years after Eden, and life on earth has already gone to hell. The world of man is a place of wanton cruelty and wickedness. Prehistoric monsters and stone-age marauders roam the land. Murder and destruction are the rule of the day. Humankind is a failed experiment. This is life before the Flood. The story of man on the verge of his first apocalypse. Welcome to the world of THE GODDAMNED. Writer Jason Aaron & artist r.m.GuÃfÃ©ra, the creators of the seminal crime series Scalped, reunite for a new ongoing series of stark and brutal biblical noir. Collecting issues 1 through 5.

Customer Reviews

Completely unexpected...Wow...wont give anything up...not the plot..nothingIf you are a historian..and appreciate great writing....this is for you...

Rough. That's the word I would use to sum up this book. This is not for the faint of heart or those easily offended. This is a bare bones, brass tacks, cards on the table, beautifully rendered story of what the world might've been like before the Biblical Flood. And I could not put it down. This may sound strange when you consider that I'm a Christian, but I'm always ready to read or see something that might give me insight to my faith, and that's what Jason Aaron does. Yes there's some liberties taken that go against the good book (such as Noah being a religious fanatic), but that

only makes me want to see what direction Aaron takes even further. For those looking for a great apocalyptic story, this is for you. Just keep, an open mind.

I love old testament stories. The writer has really embellished the plots and characters. I'm not a believer but I can definitely get into this. The art is very energetic, a bit chaotic and haphazard but it fits the story. My main complaint is it was really short.

Pretty fun take on the old testament. Obviously its jam packed with sex, violence, gore, and profanity. Nice and fun.

Spectacular. Jason Aaron and RM Guera together are not to be missed. If you like brutal, grimy, blasphemous depravity, you simply must read this.

Great story and art

This was g d good!!

I definitely enjoyed this book. I really like Jason Aaron and this was another great read. It follows Kane who just wants to find something that will kill him and end the curse of eternal life god placed in him. Kane is a badass who takes on horses of "bone boys" singlehandedly. The story was great with in my opinion a really good ending. The art was by no means bad, it is very stylized and gritty and looks really cool on some pages. My only problem came during a six page fight scene with no words, it was really hard to follow the fight and I couldn't really tell what Kane was actually doing. It was still a cool fight where Kane destroyed some fools but could have been way cooler I think. I definitely recommend the book just take a peak at the art inside if you are unsure about a more stylized artist.
