Synopsis

Romulus White has tried for years to hire illustrator Stella West for his renowned scientific magazine. She is the missing piece he needs to propel his magazine to the forefront of the industry. But Stella abruptly quit the art world and moved to Boston with a single purpose: to solve the mysterious death of her beloved sister. Romulus, a man with connections to high society and every important power circle in the city, could be her most valuable ally. Sparks fly the instant Stella and Romulus join forces, and Romulus soon realizes the strong-willed and charismatic Stella could disrupt his hard-won independence. Can they continue to help each other when their efforts draw the wrong kind of attention from the powers-that-be and put all they've worked for at risk?

Customer Reviews

Mystery, romance, and a touch of faith are interwoven in Camden's (Into the Whirlwind) historical novel, set against the backdrop of the building of the first American subway in 1897 Boston.

Romulus White is the well-dressed editor and publisher of Scientific World magazine. Ten years after a broken engagement, he enjoys women's company "far too much to settle down with just one." Stella West is a Cornell-educated artist working in London; White has been trying for three years to woo her to work as an illustrator for his magazine. When he learns that she is now living in Boston and working at City Hall as a stenographer, Romulus is thrilled. He can't pry her away from her new job, though; she has taken it in an effort to discover the true circumstances behind her sister Gwendolyn's unfortunate death. Stella soon realizes that Romulus is one of her only allies in

the city and starts to lean on him for help and friendship, but when misfortune befalls both of them, he is eager to sever ties. Camden's mixing of romantic tension and the mystery of Gwendolyn's death will keep readers engaged until the last page, and the ending will bring a smile to the fans of historical romance. (June) \n --This text refers to the Paperback edition.

"I loved all of the characters. . . . I am definitely going to read more from this author and narrator."

---Reading Around the Genres

I enjoyed the mysteries, the romance between the h and H, the process of healing in their friends' marriage, and the historical setting in Boston-the building of the subway system. I'd give the book 4.5 if I could as I want to read more from this author.

I've only recently discovered Elizabeth Camden, but her books have been so engaging I've had to buy them all. No book has been a disappointment. Every story has a moral message and emotional ups and down (mostly ups), and I love the historical lessons in every book. Very well written. Keep em coming!

Elizabeth Camden brought them all to this book. Romulus and Stella are quite unlike other characters I have "met" in books. Their story kept me intrigued. I think you'll like it, too.

I'm so glad this included Clyde & Evelyn...but this story as always, was a fantastic historical novel full of factoids, intrigue, and romance. This book is amazing - you'll love it!

I started and finished this wonderful story in just one night! Difference is a story with in a story and a villain you don't see coming.Mrs. Camden I truly enjoy your stories!

Wonderfully written, well-developed characters, and a great plot and setting. Highly recommend. Also make sure to read the novella to help with the background. Not necessary but helpful.

I'm almost to the end of this story, but this review presented itself so thought I'd write what I do know about it. It's full of intrigue, romance, interesting dialogue, and a great mystery to be solvedÃfÂçÃ â ¬Ã Â|can't wait to see who did it and if a certain relationship happens! It takes place in the late 1800's in Boston and is historical which I like as well as this time period. It's good,

exciting, clean, and with references to their relationship with God.

Wonderful story - would love to see these characters grow and develop in more books! Great characters and great story line - loved the connection to history in Boston.
