A Workbook For New Testament Syntax: Companion To Basics Of New Testament Syntax And Greek Grammar Beyond The Basics

Synopsis

Daniel B. Wallace's groundbreaking books *Greek Grammar Beyond the Basics: An Exegetical Syntax of the New Testament* and *Basics of New Testament Syntax* have become the standard textbooks among colleges and seminaries for teaching New Testament Greek syntax. This workbook, designed to accompany both books, presents a dynamic approach to learning Greek syntax. Instead of simply learning syntax in single-verse snippets, students are exposed to all of the major syntactical categories in exegetically and theologically significant passages.

Book Information

Paperback: 192 pages

Publisher: Zondervan; Workbook edition (July 30, 2007)

Language: English

ISBN-10: 0310273897

ISBN-13: 978-0310273899

Daniel B. Wallace's groundbreaking books *Greek Grammar Beyond the Basics: An Exegetical Syntax of the New Testament* and *Basics of New Testament Syntax* have become the standard textbooks among colleges and seminaries for teaching New Testament Greek syntax. This workbook, designed to accompany both books, presents a dynamic approach to learning Greek syntax. Instead of simply learning syntax in single-verse snippets, students are exposed to all of the major syntactical categories in exegetically and theologically significant passages.

Daniel B. Wallace (PhD, Dallas Theological Seminary) is professor of New Testament at Dallas Theological Seminary. He is a noted textual critic, serving as head of the Center for the Study of New Testament Manuscripts, and is author of *Greek Grammar beyond the Basics*, *Basics of New Testament Syntax*, and (with Grant Edwards) of *A Workbook for New Testament Syntax*. Grant

Edwards (ThM, Princeton Theological Seminary) is currently a doctoral candidate in the Department of Theology and Religion at the University of Birmingham in the UK.

This was a very helpful read that filled in a lot of the gaps in some of the language used in the new testament.

looks excellent - but, does anybody have an answer key they can make a copy of and send my way? - have been unable to get anybody at Zondervan to reply to contact in any way. Learning on own, not as a cheat sheet

Excellent

Incomplete even for a beginner

Fantastic book and actually an enjoyable read if you are even remotely interested in NT Greek grammar.

GREAT

IT is the first text that is complete and concise.

Excellent reference material for learning reviewing grammatical principles.
