Books > Sports & Outdoors > Cycling #40569 in Books > Children's Books > Activities, Crafts & Games

Age Range: 8 - 14 years

Grade Level: 3 - 4

Customer Reviews

Jason Glaser is a Capstone Press author.

Bicycle Stunt Riding by Jason Glaser is a book about BMX stunt riding. The book lets you know how BMX started, the many competitions for BMX, what equipment you need, and safety. The book covers all the styles of BMX like ramp riding and flatlanding. I recommend anyone to read this book if they want to BMX.

This book discusses stunt riding from the standpoint of its historical development, and as a "career." It may be interesting for children in this regard, but it does not teach how to do the stunts.

This book is the greatest. It didn't fully teach me tricks, but it told me how and I worked up from there. If you are a beginner, or an advanced rider this book is for you.
