In my opinion many people that read bible, go to church, pray like robots. Not in a bad way, but they do that just because they have to, it's almost like a habit. This book explains deeper things about christianity, prayers and most importantly answers question "why?". Why you need to pray? Why you need to understand bible and christianity? What is a purpose of a prayer? Good read for those of you that want to understand why you do things that you do.

Being a Christian can easily be said than done. A lot is claiming that they are Christian and living a life like one but sometimes you cannot deny the fact that we also go astray.
