The World of Eric Carle promotes the joys of playful learning, with The Very Hungry Caterpillar® as its centerpiece. These are really cute cupcake liners. I made a box and a half of cake mix and felt like I had so many wrapper left over. I will be able to use these for more than just the one time. We used them for a very hungry caterpillar birthday and they were loved by all. We used a couple of the toppers, but since we mostly used the cupcakes as the body of the caterpillar we didn't want little flags sticking out of them, so we have about half of them leftover also. A great buy, and we loved that they matched the theme so well.

The World of Eric Carle cupcake set is as described. Half of the cupcake liners are standard size

while the others are mini muffin size. Only 4 dozen of each size of the cupcake liners are decorated with The Very Hungry Caterpillar designs. The others, while festive, are not special. I used 4 dozen standard cupcake liners for my son's birthday party; therefore, I was able to use all The Very Hungry Caterpillar liners for the themed party. The toppers are cute, but I only used 2 of them as antenna for a cupcake caterpillar. They were sturdy used as such.

Very cute. I used them to make a hungry caterpillar cupcake cake for my daughter's 3rd birthday. It's her favorite book. The kit was good quality and held up great while prepping and cooking in the oven. Everyone loved them and thought they were very cute. Would definitely purchase and recommend product again.

Used these for a baby's first birthday party. They came well packaged and there are so many in there. I was a little thrown off by the mini sized liners, but that is probably my fault for not reading the entire description. But even with the smaller sizes it includes plenty of the normal sized cupcakes.

Fast shipping. I bought a "Like New" item and the only defect it had was a wrinkled box. But I didn't mind because I was aware of it! Very cool. I can't wait to use them on my son's 1st birthday!!!

All you need to make both regular size cupcakes and mini cupcakes. I used green and red frosting to create a cupcake caterpillar. It was easy and inexpensive. The flags were cute.

I bought this set for my son's 'Very Hungry Caterpillar' birthday party. The cupcake liners are very colorful and good quality. Would definitely buy again!

We used these to make a cupcake caterpillar for my daughter's baby shower and it came out adorable!
