# Happy Birthday, Little Pookie

## Synopsis

Wake up and celebrate Little Pookie's big day in this way-too-early board book from the beloved and bestselling Sandra Boynton. Is that you, little Pookie? It's not even light. You ought to be sleeping. Look outside. It's still night. But it's my birthday! Birthday! Birthday! Pookie can't wait to celebrate! There's only one problem: It's still nighttime and everyone is asleep. With Sandra Boynton's signature charm and piggy pizzazz, this surprising (yawn) story proves that every Little Pookie loves birthdays—even before daybreak!

This Pookie book became a hit quickly in my house for both my daughter and I. If you're new to Pookie this is a cute short story of a pig who is too excited for their birthday and the parents who want to give them all their birthday wishes just not until it's light out. Good variety in the story as well. I'd recommend.

I ordered this in lieu of a card for my toddler's birthday. It's a sweet book; the rhyme is just slightly different from the other Boynton books we own, and I was a little thrown when I first read it. (hence the 4 out of 5 stars) BUT, my little one loves it, adores Pookie, and likes to have this book read to her over and over and over. It will be a hit.

"so here's to a child who is joyful and clever Happy day, happy year, happy always and ever" Need I say more?

Love the Pookie books! We are a singing family, so the cadence of these books make for some fun impromptu songs! Great character! My two year old girl loves Pookie.

My kids loves these books. For some reason they weren't interested in Pookie when they were little (2 and under) but at 3, 5 and 7 they think they are hilarious.

We love little Pookie. It has been my daughter's nickname since before we knew about the books so the books are even more special.

This is a cute book, but is a little short on content, & does not really hold my 2 year old's attention

We love all the Pookie books.
