## Customer Reviews

The author did an excellent job and also written very well. That's why I just can understand the whole book very easily. I get his book to see its attractive cover so I also would like to recommended thanks., I learned a lot of interesting information from it. Thanks to the author!

This book is a great to read and it provide lots of tricks for Fidget spinner. I am really impressed when i read this book. The author did an excellent job and also written very well. That's why I just can understand the whole book very easily.

Useful and informative. Nothing unnecessary, just the needful information. Written with a

humor. There are no pictures, but everything is clear. My children are happy. With this book they've already learned to do more than half of the tricks.

I like this book. This book contains amazing fun. This book is overflowing with several the most entertaining Fidget Spinner images that will keep aficionados of the superb gadget in hysterics for a considerable length of time.

With this book, the kids can get a guide to some of the most popular spinners that are out there, and check off their lists of the ones they have and the ones they want. They can then take that foundation to the next level by learning from the over 50 tips and tricks that they can do with those fidget spinners

Amazing and an absolute book for newbies and even to those who are learning new and fun tricks. This book even provides ways to make your fidget awesome. It also gives you on proper way of having your fidget spinner the right way and so much more. Now I am able to use it anywhere I go.

This is a great book on Fidget Spinner. I read this book. It's really supper. This book contains a lot of important information that will keep one in a frenzy state. Would recommend this book to everyone.

This book provides step by step instructions are provided so that you can perform tricks and it's very easy to understand. I'm also intrigued to play this toy.
