Super Simple Bible Lessons (Ages 3-5): 60 Ready-To-Use Bible Activities For Ages 3-5

Synopsis

Have you ever needed a Bible lesson QUICK? This resource solves your problem. Super Simple Bible Lessons contains sixty Bible lessons covering both the Old and New Testaments. Each lesson includes a story, a Bible verse, and a super simple craft activity that will reinforce the story. Each craft activity is reproducible. Make as many copies as you need for your class of two or twenty. An easy-to-use index helps you locate specific stories for the children.

Customer Reviews

I disregarded previous reviews because I was enticed by the fact that there were 60 lessons and crafts. But these are really quite lame. There are a few good crafts, but most are very simple and not what one would expect for the subject matter. I feel like I could have photocopied pages from their kid bible or looked for images online for them to color. Someone else had complained about thin pages, which they are, but I purchased with the intent of photocopying for both my kids. I wish I had just asked around for the curriculum books from our church.

Many cute ideas. Simple lessons. Not a lot of prep needed. Great for younger kids.

Great simple lesson for the little one

i am very disappointed in the copy i received. it looks like someone just poorly photo copy and made a book. NOT what i expected i was spending my money on. i am suppose to bed able to photo copy

for my sunday school class but many papers are too light to do so.

I ordered the kindle version so I could have it immediately to work on a lesson for the next day sunday school. It has pages that are supposed to be reproducible but the kindle version does not let me print anything from the book, I even bring it up on my computer and it still doesn't let me print the lesson. This has been a real disappointment for me and a waste of money.

I purchased the book for my Sunday School class. It has good brief lessons and ideas so I use it as a complement to other literature I bought. The kids like the activities in it.

Just what I was looking for

I teach toddlers on Wednesday night's at church. I like the lessons from this book. I struggle to find lessons that are interesting and short enough for their attention span.
