Hairspray: The Complete Book And Lyrics Of The Hit Broadway Musical

Synopsis

(Applause Books). *Hairspray* is the 2003 Tony Award winner for Best Musical! Based on filmmaker John Waters' affectionately subversive homage to his Baltimore youth, *Hairspray* takes place in 1962. Chubby Tracy Turnblad (Marissa Jaret Winokur, 2003 Tony winner for Best Performance by a Leading Actress in a Musical) is transformed into a teen celebrity on a local TV dance program. With her irresistible stage mother (Harvey Fierstein, 2003 Tony winner for Best Performance by a Leading Actor in a Musical) at her side, she attempts to win the heart of the local heartthrob and integrate "The Corny Collins Show" at the same time.

"Irresistible! If life were everything it should be, it would be more like *Hairspray*." "A big, beautiful bouffant of a musical."

Marc O'Donnell is a playwright and author. Thomas Meehan won his second Tony Award in 2001, to add to his 1977 success for *Annie*; Scott Whitman has written, directed, and produced numerous shows; Marc Shuman has composed or adapted music and lyrics for over 50 films --This text refers to an out of print or unavailable edition of this title.

OMG! I'm so excited. How did I miss this? I'm a huge fan of *Hairspray* (proud to say that I saw the musical 3 times to my sister's chagrin) and was devastated when they bowed out of Broadway. As

much as I liked the movie versions, they weren't just the same. I always wished that they filmed the musical and put it on DVD. However, this book is a close second best. The book has the lyrics and script for the musical ONLY. It is set up in play format. There are no arrangements for the music or anything else. You have to get a separate book for that -Ã Â Hairspray: Piano/Vocal Selections. In the center, there are 2 pages of images of the OBC. The quality of the book and pages are pretty sturdy. The font is a decent, readable size. For fans of the musical, this is a must have. It's like owning a piece of my favorite show in paper format. And I will be definitely pretending to act this out on a rainy day.

I always love reading scripts and try to get my hands on as many as I can! This is a great addition, complete with photos from the original cast! Highly recommend!

Wonderful resource for audition prep or if you're a fan of musical theatre! It's good to see what the actors read and the context around the songs if the soundtrack is all you have.

Such a fun show. I ordered this script before I begin rehearsing the show as Edna!

I thought it would have the music in it, but it was not a full libretto.

This show is so awesome!!! It is super funny, but yet is also deals with difficult issues like racism and the idea of beauty. You should see the movie, buy the script, get the soundtrack and make a date night of seeing this show done live! If you don't, then you are missing out on a fabulous piece!!!!

Great book!!!
