# Max's Bedtime (Max And Ruby)

## Synopsis

These irresistible Max & Ruby board books will introduce the youngest readers to the beloved bunny pair, who star in their own show on Nick Jr. and Noggin. In *Max's Bedtime*, even though Ruby offers Max her stuffed animals, he can't sleep without his red rubber elephant.

PreSAMax is back, or at least retooled for the 21st century. Max's Ride and Max's Toys first appeared in 1979, while Max's Bath and Max's Bedtime both have a 1985 copyright. The texts for the most part read the same. The typeface has been changed from sans serif to serif. In Max's Ride, the concept words are now designed to reflect their meaning. So "down" now moves down the page and "under" dips under the line of text. Max's errant baby carriage hits a bump rather than a clothes basket. As for the illustrations, those bouncing baby bunny buns seem to have slipped south. Max is more of a dumpy pyramid shape with enormous feet and a softer contour line. The books are a bit larger and the color palette a tad lighter. Some of the facial expressions seem to give a different emotional emphasis. Purists may feel even Wells can't do better than the originals and shouldn't try. Still, more Max is better than less and Wells's special brand of deadpan humor is always welcome. I love these Max books and so does my two year old son! The story is short enough that it keeps his attention.

My grandkids love Max and Ruby!

My grandsons name is Max so the book looks great on his bookcase! The story seems to be for an older child and we are putting it aside for a while! We will get more of the 'Max' books.

I buy children's books whenever I am invited to a baby shower. This is a board book that stands up to toddlers. Max and Ruby were one of my children's favorite bedtime books.

These books are classics. The new redesigned versions just don't compare to the originals.

One of the best Max and Ruby books!!!! So cute!

One of mine and my children's all time favorites!

These early Max and Ruby books are the best. I read the board books to my own children (now 26 and 30) and we read them to disintegration. I wanted to get a set for my grandchildren.
