# Get Hepatitis C Medication From India: Ultimate Guide To Saving Over 90% On The Cost Of Hepatitis C Treatments

## Synopsis

Original Hepatitis C treatments can range upwards of \$100,000 or more for patients. However, generic drug medications that provide the same benefits exist at significantly low prices in India. Due to the extreme cost of treatments in the United States, many patients travel to India to purchase the medications or even order the generic drugs online, all while following the legal formalities. This book discusses a 5-step procedure to obtain a low-cost treatment for Hepatitis C.
