Gluten-Free Slow Cooker: Easy Recipes For A Gluten Free Diet

Synopsis

Take note: Amelia Simons has done it again! Now you can have slow cooker meals that are delicious, easy, and gluten-free! When you are striving to eat a gluten-free diet, time is precious. Learning to eat differently takes time--time you don't want to spend laboring in the kitchen over a hot stove. Whether you have been diagnosed with celiac disease, have gluten intolerance, gluten sensitivity, have a wheat allergy, or are simply searching for a healthier way to eat, *Gluten-Free Slow Cooker: Easy Recipes for a Gluten Free Diet* can help you tremendously. Inside this gluten-free cookbook you will find:

- What it means to eat gluten-free
- Some helpful slow cooker tips
- Recipes for brunch
- Meat, poultry, pork, and seafood dishes for your entrees
- Soups and stews
- Meat-free ideas and side dishes
- How to cook gluten-free breads in your slow cooker

With tasty and healthy main dishes, soups and stews, side dishes, and quick breads you can cook in your slow cooker, this cookbook by Amelia Simons will once again make you glad you purchased her slow cooker cookbook.

Customer Reviews

I love to cook, especially using a slow-cooker. Being diagnosed as gluten intolerant recently, I am constantly looking for appropriate recipes. This book has great recipes, but many of them I already have. If you use any internet cooking sites, you may wish to pass on this book as you can find nearly every recipe in this book online.

I purchased this book a few days ago Last Night My wife and I cooked Up the Authors recipe for Spicy Turkey Chili It was Delicious! The Recipes are very easy to follow fantastic for the whole family interested in living a healthier lifestyle FIVE STARS!

Great cookbook. The recipes are easy to do.

I just read through this coobook, and bookmarked so many recipes it had to be almost the whole cookbook! LOL! Honestly, this is an incredible cookbook I am so glad I purchased it and at 99¢ it's a terrific bargain. There are so many delicious recipes for the person on a gluten-free diet. The recipes call for common, every day ingredients and make meals that the whole family will enjoy. I would highly recommend this cookbook for anyone on a gluten-free diet, they will be very happy with their purchase.

This GF cookbook has dozens of delicious slow-cooker recipes; many comfort foods and tasty versions of Mom's old fashioned cooking such as stews, roasts, and ham dishes. There are also many pointers for slow-cooker techniques that were new to me. I deducted one star for a couple minor typo's I found in one recipe which was still decipherable. Othewise, this book would have been a 5-star product.

I'm so excited there is a cook book for those dealing with Celiac disease. I've missed out on family gatherings along with entertaining friends. this will give me the opportunity to enjoy a great meal with little effort.

Great ideas for down to earth everyday recipes. I especially like the bread recipes with simple easy to find ingredients. I feel confident my family will eat the no questions asked

So far the recipes we've tried have been very tasty and easy.
